## NEW: EASIVEND CONTACTLESS VENDING MACHINE

Leading the way in innovative washroom solutions, Unicorn Hygienics are delighted to launch the newest product to their vending range: **Easivend Contactless**.

In addition to all the existing benefits and features of the original Multivend, our latest version is now available with a **contactless payment** function providing users with a **quick** and **touch free** vending experience. The remote portal has been developed to allow **real time access** to customer data.

### FEATURES:

- Touchless and cashless vending
- Handle pricing and stock management remotely
- Access real time data via the portal
- Quicker customer transactions
- Secured vending - reduced risk of theft
- Improved customer experience
- Maximise vending sales
- Manage battery life from remote portal
